

**CITY OF NORTON SHORES PARKS & RECREATION DEPARTMENT
ROSS PARK SOFTBALL FIELDS – ADVERTISING BANNERS - 2025**

The City of Norton Shores is again offering the opportunity to advertise your business using a banner placed on one of our three outfield fences of the Ross Park softball fields. The City has softball games at Ross Park during summer and fall leagues (early-April – early October.) Through that time of year, we have multiple games at each field, Monday – Friday. The past three seasons, we have had an average of 80 slow pitch teams playing in our summer and fall leagues. In addition, we will be hosting eight NSA-sanctioned tournaments in 2025 and a 6 band concert series. Your banners will also be visible for the thousands of people who use Ross Park every summer for reunions, company picnics, and family events. Of course, if you choose to place your banner on the outside of the fence, it will also be visible to cars driving by the park all summer long. In addition to softball we will be hosting disc golf tournaments this summer.

Your professionally designed 4-color ad will be displayed on a 5' x 8' banner on either the interior or the exterior of the outfield fence. Field choice as well as exact placement will be determined on a first-come, first-served basis. We put up banners in early-April, in time for teams to begin play in our summer leagues, and take them down in early October, when our fall leagues wrap up for the season.

We'd also like to offer, for an additional \$150, you can "add on" a sponsorship of our annual Arts & Drafts Festival. We will display your banner at the Festival in August and scroll your logo on the Arts & Drafts page of our Parks website as well as the Softball page! If you have any questions or need further information, please call the Parks & Recreation office at 231-799-6802.

Please complete the following information and mail to the Norton Shores Parks & Recreation Dept., 4814 Henry Street, Norton Shores, MI 49441, or email to cklairter@nortonshores.org
